For fans of 50 Shades of Grey and Desperate Housewives, here comes a fun, flirty BDSM series that delivers sexy, mysterious doms and loads of erotic hijinks.

The Wild & Lawless collection includes:

Sleeping With Beauty

Kat is an insomniac, and the only thing that cures her sleepless nights is sex. One problem: she drains her partners like Rogue from X-Men. But the mysterious bartender she hired has a proposition to cure what ails her, and it includes a wanton night spent in a strange fairyland.

The Ugly Duckling

Casey Carpenter's life spins out of control after her husband cheats on her and drains their bank account. She can't afford her condo, her furniture is about to be repossessed, and the only man who can help her is a misfit-turned-model she used to bully in high school. Sparks and shoes fly when the once popular girl becomes a sex maid for this former ugly duckling.

Cindy Eller

Cindy Eller ditches her pre-Valentine's Day date, the elusive Prince Charming, even though their scorching online encounters have her intrigued. But social anxiety, plus her paranoid step mom and step sisters, make her too terrified to meet the man of her dreams. The prince, however, has a plan to get her in his arms and dole out a sexy punishment for her naughtiness.

Hans & Greg

Greg Butler is an executive editor who's willing to do anything to climb the corporate ladder. When his boss assigns him to the dreaded Darmoor murder legend story, though, he gets more than he bargained for. A sexy witch named Hans has a story to tell, but if Greg wants his secrets he's going to have to play in Hans' dungeon, and by his rules.
