Managing Men Who Sexually Abuse

David I Briggs, Roger Kennington

Managing Men Who Sexually Abuse David I Briggs, Roger Kennington

'I found this book readable, humane and full of common sense backed up by convincing argument. Offenders need both challenge and support. The book will be of use to social workers, police, and QPMS, or even concerned Friends who feel they need to be better informed on a difficult subject.'

- Quakers in Criminal Justice

Briggs and Kennington's new book constitutes a comprehensive and accessible guide to managing men who sexually offend and draws on recent developments in cognitive-behavioural therapy.

The authors emphasize the need to incorporate practice-based research and clinical experience in intervention strategies. They demonstrate the importance of customizing interventions and describe how to tailor treatment according to the individual client's needs. This volume also examines the theoretical issues behind cognitive-behavioural interventions when dealing with this group.

From their own extensive knowledge of contemporary practice in the United States and Great Britain, David Briggs and Roger Kennington offer insights and guidance for improving objectives and techniques in intervention.

The companion volume to *Assessing Men Who Sexually Abuse*, *Managing Men Who Sexually Abuse* is a practical manual which will be an invaluable resource for anyone working in the assessment and management of sexual offenders.

From reader reviews:

Helen Kingsbury:

Book is usually written, printed, or created for everything. You can understand everything you want by a guide. Book has a different type. As it is known to us that book is important issue to bring us around the world. Close to that you can your reading skill was fluently. A publication Managing Men Who Sexually Abuse will make you to always be smarter. You can feel far more confidence if you can know about every little thing. But some of you think that will open or reading the book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you trying to find best book or acceptable book with you?

Jerrod Spicher:

With this era which is the greater man or woman or who has ability in doing something more are more precious than other. Do you want to become considered one of it? It is just simple method to have that. What you must do is just spending your time not very much but quite enough to have a look at some books. One of the books in the top listing in your reading list is actually Managing Men Who Sexually Abuse. This book that is qualified as The Hungry Hillside can get you closer in getting precious person. By looking upward and review this publication you can get many advantages.

Matthew White:

As we know that book is significant thing to add our information for everything. By a reserve we can know everything you want. A book is a range of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This book Managing Men Who Sexually Abuse was filled in relation to science. Spend your spare time to add your knowledge about your research competence. Some people has various feel when they reading some sort of book. If you know how big selling point of a book, you can sense enjoy to read a guide. In the modern era like at this point, many ways to get book you wanted.

Willie Quinones:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Managing Men Who Sexually Abuse can make you truly feel more interested to read.
