\*\*\* SPECIAL NOTE \*\*\*

Dear Reader,

Mental Illness is a growing concern in our world today. *On the Rocks* is about surviving the aftermath of suicide, and believing in love again. Levi and Braunwyn's love story is inspired by events that impacted the lives of people I care about deeply. With all of the research and ongoing concerns with mental health, I've decided to try and do something to bring awareness and light to this growing concern. I will be donating 10% of all pre-order and release week profits to the Canadian Mental Health Association.

Thank you in advance for your support with this endeavour.

Gillian xx

Braunwyn

Four years ago, losing the love of my life almost destroyed me.

Years of being labeled and looked upon with disdain by everyone in my hometown almost wrecked me.

Four years ago, I became a mother and together we were enough... until I met him.

He wanted to rebuild my broken —I just didn't know how to let him.

This is my story, of how one man's love changed everything I thought I knew about life, love and myself.

Can Levi Eddison prove to be my restoration?

Levi

Everything in my world changed the day Braunwyn Daniels walked into my pub.

She was a woman of many contradictions. I recognized the happiness and sorrow each fighting its way to the surface from deep within.

I was drawn to her immediately.

Behind her long legs, chestnut brown hair and beautiful eyes lay a damaged soul.

I needed to change that —I just didn't know how.

This is my story of how I met a broken girl and vowed to make her whole.

In the end, it turns out I knew nothing about true happiness until Braunwyn Daniels let me love her.
