POWER POINTS presents practical theology, in this dynamic guide to attaining spiritual growth, that integrates into faith the most basic beliefs of Christianity, helping us to answer fundamental questions: *What does the Trinity teach us about family life?; *How does our relationship with the Heavenly Father affect our spiritual and emotional well-being?; *Why did Christ have to be both God and man for us to receive forgiveness and eternal life?; *How do we experience the power and gifts of the Holy Spirit?; *How do we know when God is speaking to us?; *What is the relationship between the Kingdom of God and the church?; *How does the Second Coming affect the way we live today?; and *What is our responsibility to care for the poor? Power points are markers that direct Christians to spiritual growth. At each point Christians become a little more like Jesus. These are the seven key power points that illuminated the path to Christian growth rooted in basic Christianity: *hearing God's voice; *believing God's Word; *seeking the Father; *submitting to Christ; *taking up the Cross; *depending on the Holy Spirit; and *fulfilling The Great Commission.
