The little old lady is back! This time, Martha Andersson and her friends - the League of Pensioners - have left behind their dreary care home in Stockholm and are enjoying the bright lights of Las Vegas. This is their opportunity for a new lease of life and they plan to make the most of it. But before long, they are up to their old tricks. And with ingenious tactics, a pair of false teeth and a wheelchair each, they plot to outwit the security system at one of the casinos. As their antics become more and more daring, Martha and her friends head back to Sweden to continue their money-making schemes. However, they aren't the only ones planning on stealing bucket loads of cash and soon find themselves pitted against a gang of dangerous criminals. Can the group of elderly friends work together to outsmart the younger robbers and get away with their biggest heist yet? Or will this job be a step too far for The League of Pensioners?
