The Revenge of Seven (Lorien Legacies) Pittacus Lore

The fifth book in the *New York Times* bestselling I Am Number Four series! The Garde have suffered an unbearable loss. Number Five has betrayed them. Eight is gone forever. Ella has been kidnapped. The others are now scattered.

In Chicago, John makes the unlikeliest of allies: Adam, a Mogadorian who turned his back on his people. He has invaluable information about Mog technology, battle strategies, and weaknesses. Most important, he knows where to hit them: their command base near Washington, DC. During the assault, however, John learns the unimaginable truth: it is too late. The Mogadorians have commenced their ultimate invasion plans.

With a front-row seat to the impending invasion, Ella finds herself in the hands of the enemy. For some reason, she's more valuable to them alive, and they'll stop at nothing to turn her.

Meanwhile, Six, Nine, and Marina make their way through the Florida Everglades, hot on the trail of the traitorous Five. With the development of a new Legacy, Marina finally has the power to fight back—if her thirst for revenge doesn't consume her first.

The Garde are broken and divided once again, but they will not be defeated. As long as one still stands, the battle for Earth's survival is not lost.
