Become the man your wife deserves and unleash her inner goddess. Leave her wondering “Where have you been all my life!”

If that sounds extreme, "Winning at the Game of Wife" may not be for you. If you're one of those guys who enjoys mediocrity and status quo, you might find some of the contents intimidating and even shocking.

Author James T. Horning knows what a woman wants. He's discovered how meeting a woman's needs on her terms fuels her passion, desire and attraction for her man. His uncommon insights into the dynamics between the sexes are unabashedly poignant and profoundly on target.

Seventeen years ago after his wife threatened to jump from a speeding vehicle to get away from him, James realized that he wasn't being the husband his wife deserved. After fifteen subsequent years of self-realization, research and practice, he realized that his marriage had become his life's greatest experience and the admiration of others.

What is the Secret to having a passion filled marriage in these modern times? What happened to the woman I married and how do I get her back? How do you bring the sex back into my sexless marriage? Why don't we have anything in common anymore? Answer to these questions and more in "Winning at the Game of Wife."
