Calling Me Home: A Novel Julie Kibler

In *Calling Me Home* by Julie Kibler, eighty-nine-year-old Isabelle McAllister has a favor to ask her hairdresser Dorrie Curtis. It's a big one. Isabelle wants Dorrie, a black single mom in her thirties, to drop everything to drive Isabelle from her home in Arlington, Texas, to a funeral in Cincinnati. With no clear explanation why. Tomorrow.

Curious whether she can unlock the secrets of Isabelle's guarded past, she agrees, not knowing it will be a journey that changes both their lives.

Over the years, Dorrie and Isabelle have developed more than just a business relationship. They are friends. But Dorrie, fretting over the new man in her life and her teenage son's irresponsible choices, still wonders why Isabelle chose her.

Isabelle confesses that, as a willful teen in 1930s Kentucky, she fell deeply in love with Robert Prewitt, a would-be doctor and the black son of her family's housekeeper in a town where blacks weren't allowed after dark. The tale of their forbidden relationship and its tragic consequences makes it clear Dorrie and Isabelle are headed for a gathering of the utmost importance and that the history of Isabelle's first and greatest love just might help Dorrie find her own way.

Federico Hayward:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This Calling Me Home: A Novel can be the solution, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

Samantha Graham:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Calling Me Home: A Novel can make you truly feel more interested to read.
