Harvest of Stars Poul Anderson

The virtual persona of a long-dead visionary entrepreneur threatens to incite a revolution from space that could topple Earth's powerful and repressive religious-technological dictatorship in this ingenious science fiction classic

In the future, individual freedom is a thing of the past. North America is a police state controlled by the Avantist government, a despotic, techno-religious ruling order that promises an impending transcendence for the oppressed. Space, however, remains free, thanks to Anson Guthrie's powerful Fireball Corporation. Guthrie's corporeal self died many generations ago, but his essence lives on, preserved forever in a computerized state that enables him to inspire his loyal employees and adherents to keep reaching for the farthest stars. But now the totalitarian enemy, led by sadistic secret policeman Enrique Sayre, has gained possession of a Guthrie download, intending to subvert it to the Avantist cause, thereby breaking Fireball's hold on the cosmos. The corporation is doomed unless ace pilot Kyra Davis can smuggle a still-unreconstructed version of Guthrie out of enslaved America and rocket him to the moon and beyond, where Fireball's virtual creator can attempt to stoke the flames of revolution—and change the direction of his world.

A truly remarkable work from one of science fiction's all-time greats, *Harvest of Stars* might be the most ingenious and ambitious novel of Grand Master Poul Anderson's acclaimed and prolific career. Thoughtful and adventurous, rich in imagination and integrity, it offers definitive proof of the seven-time Hugo Award-winning author's unparalleled mastery in the field of speculative fiction.

From reader reviews:

Helen Henson:

Reading a publication tends to be new life style within this era globalization. With reading through you can get a lot of information that will give you benefit in your life. With book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or perhaps their experience. Not only the story that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this Harvest of Stars.

Lawrence Weatherby:

People live in this new time of lifestyle always make an effort to and must have the free time or they will get lots of stress from both way of life and work. So , whenever we ask do people have spare time, we will say absolutely of course. People is human not really a huge robot. Then we question again, what kind of activity have you got when the spare time coming to a person of course your answer will unlimited right. Then ever try this one, reading ebooks. It can be your alternative with spending your spare time, typically the book you have read is usually Harvest of Stars.

Roy Matsumoto:

This Harvest of Stars is great publication for you because the content that is full of information for you who have always deal with world and still have to make decision every minute. This kind of book reveal it information accurately using great coordinate word or we can say no rambling sentences inside. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with beautiful delivering sentences. Having Harvest of Stars in your hand like obtaining the world in your arm, details in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen moment right but this publication already do that. So , it is good reading book. Hello Mr. and Mrs. occupied do you still doubt in which?

Elsie Wallace:

What is your hobby? Have you heard that question when you got pupils? We believe that that concern was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. So you know that little person just like reading or as looking at become their hobby. You have to know that reading is very important in addition to book as to be the matter. Book is important thing to increase you knowledge, except your teacher or lecturer. You will find good news or update in relation to something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them are these claims Harvest of Stars.
