Strategies That Work: Teaching Comprehension for Understanding and Engagement 2nd (second) Edition by Harvey, Stephanie, Goudvis, Anne published by Stenhouse Publishers (2007)

Since its publication in 2000, Strategies That Work has become an indispensable resource for teachers who want to explicitly teach thinking strategies so that students become engaged, thoughtful, independent readers. In this revised and expanded edition, Stephanie and Anne have added twenty completely new comprehension lessons, extending the scope of the book and exploring the central role that activating background knowledge plays in understanding. Another major addition is the inclusion of a section on content literacy which describes how to apply comprehension strategies flexibly across the curriculum. The new edition is organized around four sections:
