The Vampire Doll Part two: - Satin & Chains. (Volume 2) Amelia Stark

This is the second part of a four part BDSM fantasy series, which includes interracial relationships, Vampires, Pony-girls and warring factions. In part one, Mary was snatched from the relative safety of Maralia, where she was leading a happy and secure life, protected by an army of black soldiers called Maroons. Mary's friend, Jenny, is caught up in the situation and sentenced to be converted into a Pony-girl. She joins a column of Maroons who set off in hot pursuit of Mary and the spies who captured her. Unbeknownst to the Maralian forces, Mary's burgeoning abilities have enabled her to overpower the spy and escape into the nearby city of Glodkin, where she begins her search for her ancestors. I hope you enjoy Part 2 and the following parts of this fantasy series. The characters in this novel, experience female and male domination, training (BDSM), and bondage in rubber and leather. It also contains explicit sexual situations, and is very much a story for adults only (18+). Definitely not for those with delicate sensibilities.
