One Morning in Sarajevo: 28 June 1914 David James Smith

It was the shot that led to World War I and the death of countless millions: the assassination of Archduke Ferdinand. This historical account of what happened on that day in June 1914 is every bit as gripping as *The Day of the Jackal*. Focusing on the man behind the killing, and using newly available sources (including the few surviving witnesses), David James Smith brilliantly reinvestigates and reconstructs the events that determined the shape of the twentieth century.
