The Line Between Here and Gone (Forensic Instincts) Andrea Kane

The man she loves is gone forever. The child she lives for could be next.

Each day is a struggle for Amanda Gleason's newborn son as he battles a rare immune deficiency. Justin's best chance for a cure lies with his father—who was brutally murdered before Amanda even realized she carried his child.

Or was he?

One email changes everything—a recent photo of a man who looks exactly like Paul. Could Justin's father be alive? Amanda is frantic to find out. But tracking down a ghost when every second counts is not for amateurs.

Forensic Instincts is the one team up for the challenge.

Forensic Instincts has built their reputation on achieving the impossible. Now they're up against ruthless people who are willing to risk it all to make the FI team forget about the man Amanda desperately needs to find.

But when Forensic Instincts takes the case, nothing will stop them from uncovering the shocking truth that transcends the line between here and gone.
