This 8,100 word story contains explicit sexual content between a mother and a sexy billionaire and is thus intended for mature audiences only!

Tired of going on dates with crummy guys who only care about themselves, Susan desperately wants an out-not just for herself, but her child, Sarah. But in her small town, she doesn't know where else to turn. So, at the advice of her kid's babysitter, she turns to conferences.

She originally plans to go to a bar owner's conference, but quickly realizes the place is crawling with the same creeps that she knows back home. As luck would have it, however, an important tech conference is taking place in the same town, and some of the most powerful, richest people in the industry are there.

For Susan, it's a golden opportunity. And when she meets Paul, a billionaire from the industry, it becomes more than just an opportunity--it becomes a steamy romance at first sight.
