**American Hunter: How Legendary Hunters Shaped America** Willie Robertson, William Doyle  
*New York Times* bestselling author and star of A&E's *Duck Dynasty*, Willie Robertson, teams up with William Doyle, the bestselling co-author of *American Gun*, to share the history of America's most well known hunters.

*American Hunter* is the first book ever to compile a chronological history of America's greatest hunters. Based on the powerful personalities of colorful men and women, this book begins with the Plains Indians and moves through legendary hunters like Daniel Boone, Davy Crockett, Kit Carson, Buffalo Bill, Teddy Roosevelt, Ernest Hemingway, Lyndon Johnson, and more. Also included are the histories of American fox, rabbit, deer, squirrel, duck, goose, and big-game hunting, as well as action biographies of classic hunting weapons.

Author Willie Robertson, famed hunter of *Duck Dynasty* and *Duck Commander*, lends his voice to share this bodacious collection of true stories that you'll want to tell around the campfire after a long day's hunt.

As Teddy Roosevelt put it, "The virility, clear-sighted common sense and resourcefulness of the American people is due to the fact that we have been a nation of hunters and frequenters of the forest, plains, and waters." It's about time we honor American hunters with a book that tells their incredible stories of skill, courage, survival, and downright bodaciousness.

*American Hunter* is the perfect book for everyone who enjoys amazing tales of American history and for those who love hunting, sport shooting, and wide open spaces.
