André Bazin, Bert Cardullo

André Bazin and Italian Neorealism André Bazin, Bert Cardullo

André Bazin and Italian Neorealism presents a new selection of André Bazin's writings on Vittorio De Sica, Roberto Rossellini, and Federico Fellini; lesser known but important neorealist works such as *The Roof*, *Forbidden Christ*, and *Love in the City*; and vital topics like realism versus reality, neorealism's eclipse amid postwar Italy's economic prosperity, and the relationship between neorealism and propaganda. There are also essays on art and politics, film and comedy, and cinema and the avant-garde.

The book also features a sizable scholarly apparatus including explanatory notes, an extensive index, a contextual introduction to Bazin's life and work, a comprehensive Bazin bibliography, and credits of the films discussed. This volume thus represents a major contribution to the discipline of cinema studies, as well as a testament to the continuing influence of one of film's pre-eminent critical thinkers.
