Collected Fictions

Jorge Luis Borges

Collected Fictions Jorge Luis Borges

Jorge Luis Borges has been called the greatest Spanish-language writer of our century. Now for the first time in English, all of Borges' dazzling fictions are gathered into a single volume, brilliantly translated by **Andrew Hurley**. From his 1935 debut with *The Universal History of Iniquity*, through his immensely influential collections *Ficciones* and *The Aleph*, these enigmatic, elaborate, imaginative inventions display Borges' talent for turning fiction on its head by playing with form and genre and toying with language. Together these incomparable works comprise the perfect one-volume compendium for all those who have long loved Borges, and a superb introduction to the master's work for those who have yet to discover this singular genius.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
