Jewish Humor on Your Desktop: Jewish Holiday Hilarity Al Kustanowitz

Jewish Humor on Your Desktop is a series of interactive eBooks that bring hundreds of funny Jewish videos and anecdotes to your favorite screen -- desktop or laptop computer, Kindle, iPad, iPhone, Android phone or tablet. Each video is introduced with a short written commentary explaining its back story. The anecdotes and videos are based on three years and 900 entries from Jewish Humor Central, a blog written by Al Kustanowitz, who has been studying, chronicling, and delivering Jewish humor for more than 30 years. This is the sixth and longest book in the series, titled Jewish Holiday Hilarity. This book presents more than 100 anecdotes and associated video clips of Jewish holiday humor that will bring holiday-appropriate laughter into your home on Rosh Hashanah, Yom Kippur, Sukkot, Hanukkah, Tu B'Shvat, Purim, Passover, Lag B'Omer, and Shavuot. You'll find lots of links to the most popular music videos and funny parodies for each of the holidays, along with commentary that fills in some of the details about the singers, musicians, and comedians who created this holiday hilarity. In the e-book version, most of the anecdotes include a highlighted link that goes directly to the video clip when you click on it while reading it on your electronic device. In this print version the links appear as URLs that you will have to type into your browser address bar if you want to see the video. If you're reading this book away from your computer, the anecdotes alone should be a source of entertainment.
