The Elegance of the Hedgehog Muriel Barbery

We are in the center of Paris, in an elegant apartment building inhabited by bourgeois families. Renée, the concierge, is witness to the lavish but vacuous lives of her numerous employers. Outwardly she conforms to every stereotype of the concierge: fat, cantankerous, addicted to television. Yet, unbeknownst to her employers, Renée is a cultured autodidact who adores art, philosophy, music, and Japanese culture. With humor and intelligence she scrutinizes the lives of the building's tenants, who for their part are barely aware of her existence.

Then there's Paloma, a twelve-year-old genius. She is the daughter of a tedious parliamentarian, a talented and startlingly lucid child who has decided to end her life on the sixteenth of June, her thirteenth birthday. Until then she will continue behaving as everyone expects her to behave: a mediocre pre-teen high on adolescent subculture, a good but not an outstanding student, an obedient if obstinate daughter.

Paloma and Renée hide both their true talents and their finest qualities from a world they suspect cannot or will not appreciate them. They discover their kindred souls when a wealthy Japanese man named Ozu arrives in the building. Only he is able to gain Paloma's trust and to see through Renée's timeworn disguise to the secret that haunts her. This is a moving, funny, triumphant novel that exalts the quiet victories of the inconspicuous among us.

In the modern era just like now, you just looking from your mobile phone and searching what their problem. Right now, choose your current ways to get more information about your guide. It is most important to arrange yourself to make your knowledge are still up-date. Let's try to choose correct ways for you.

Janice Hayes:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Elegance of the Hedgehog can make you sense more interested to read.
