## Women's Political and Social Thought: An Anthology

"... a wide array of time periods, cultures, and formats..." —Library Journal

The first collection of source readings of women's important writings in political and social theory from ancient times to the twentieth century. From Sappho of Lesbos to Mary Wollstonecraft and from Jane Addams to Simone Weil, these works fill a major gap in materials available for teaching the history of political thought and opens paths for exploring the rich and diverse contributions of women as creators of theory.
