Trapped in Shade's lair, Lia is about to learn just how good the Alpha is at bending captives to his will. Deep beneath the earth in the cavernous dark, she may be beyond rescue.

Kane sets out alone to free her. Though he knows he may be walking into a trap, nothing could prepare him for what awaits on the far side of the river.

And neither of them is ready for the terrible twist of fate that lies in store.

*This is the fifth part of a **complete** story. Not a standalone. Cliffhangers abound.*

For adult readers comfortable with ménage romance, as some installments contain explicit scenes with multiple partners.
