Full-Blood Half-Breed Cleve Lamison

In Cleve Lamison's hard-hitting debut, two young men divided by an intense hatred—yet marked with a common destiny—have the power to save the world . . . or destroy it.

It's been two thousand years since the bastard spawn of the god Creador lost their war to enslave humankind, transforming the Thirteen Kingdoms into a violent world where the martial arts are exalted as sacred gifts from the gods—and honor is won through arena blood sport.

Paladin Del Darkdragón, a sixteen-year-old warrior-in-training, is a "half-breed." His battle against pure-blood bullies like Fox the Runt has forced him to master the four fighting forms. But when he blends them, he is condemned as a heretic by authorities and banished from the training temples. Seeking redemption, he enrolls in the arena games, savage trials that end in death.

This year's games mask an old plot driven by a new prophet. With a horde of Creador's Bastards and an army of fanatics led by Fox the Runt at his command, the Prophet will bend the world to his will or burn it to ash.

Paladin faces an impossible choice: redeem his honor in a fight he can't hope to survive, or abandon his loved ones to perish in the sweeping holy war consuming the Kingdoms.
