Drewey Wayne Gunn

The Gay Male Sleuth in Print and Film: A History and Annotated Bibliography Drewey Wayne Gunn
In *The Gay Male Sleuth in Print and Film* (2005), scholar Drewey Wayne Gunn examined the history of gay detectives beginning with the first recognized gay novel, *The Heart in Exile*, which appeared in 1953. In the years since the original edition's publication, hundreds of novels and short stories in this sub-genre have been produced, and Gunn has unearthed many additional representations previously unrecorded.

In this new edition, Gunn provides an overview of milestones in the development of gay detectives over the last several decades. Also included in this volume is an annotated list of novels, short stories, plays, graphic novels, comic strips, films, and television series with gay detectives, gay sleuths of secondary importance, and non-sleuthing gay policemen. The most complete listing available—including the *only* listing of early gay pulp novels, present-day male-to-male romances, and erotic films—this new edition brings the work up to date with publications missed in the first edition, particularly cross-genre mysteries, early pulps, and some hard-to-find volumes.

The Gay Male Sleuth in Print and Film: A History and Annotated Bibliography lists all printed works in English (including translations) presently known to include gay detectives (such as amateur sleuths, police detectives, private investigators, and investigative reporters), from the 1929 play *Rope* until the present day. It includes all films in English, subtitled or dubbed, from the screen version of *Rope* in 1948 and the launch of the independent film *Spy on the Fly* in 1966 through the end of 2011. Complete with two appendices—a bibliography of sources and a list of Lambda Literary Awards—and indexes of titles, detectives, and actors, this extensively revised and updated reference will prove invaluable to mystery collectors, researchers, aficionados of the subgenre, and those devoted to GLBTQ studies.
