The Power of Film Howard Suber

One of America's most distinguished film professors provides the definitive A to Z course on the intricacies of film. Each entry in this remarkable book, which represents a lifetime of teaching film, has already inspired and educated several generations of Hollywood's greatest filmmakers and writers. This book examines the patterns and principles that make films popular and memorable, and will be useful both for those who want to create films and for those who just want to understand them better. Advance Review Quotes: "Howard Suber's understanding of film storytelling fills the pages of this wise, liberating book. Much of it is surprisingly contrary to what 'everyone knows.' A remarkable work." Francis Ford Coppola
