REVIEW

"I thoroughly enjoyed this novel. The characters were well described and realistic. The author Renee Benzaim has done her research and it shows. Her attention to detail allows the reader an opportunity to learn as well as to be entertained.

"The lead character, detective Annie Avant in Kern County, California is intellectual and thorough, yet her real to life qualities show through. This novel has twists and turns that keeps the reader surprised to the very end, making it difficult to put it down.

"I look forward to Renee Benzaim's next novel."
