The Dynamics Of Christian Mission: History Through A Missiological Perspective Paul Pierson

In this text, Paul E. Pierson, Dean Emeritus of the School of Intercultural Studies at Fuller Theological Seminary, guides the reader through a missiological view of history from Christ to the present. Pierson particularly highlights the contexts by which the biblical faith moved into new and different cultures. Today, the Christian faith, is the most geographically and culturally diverse worldwide movement that exists. Paul E. Pierson's book illuminates how this amazing fact has come about and how the trend will continue. Sign up for the WCIU Press newsletter to be notified about new books from this author and more!
