The Mythic Guide to Characters: Writing Characters Who Enchant and Inspire Antonio del Drago

As a professor, writer, and philosopher, Dr. Antonio del Drago has immersed himself in the literary and mythological traditions of the world.

Applying this knowledge to the writing of characters, he has developed a systematic, layered approach to character development that is based on psychology and archetypes.

In this guide, you will discover:

- The secret to writing multidimensional characters
- How to develop your character's unconscious motivations
- Four ways in which characters interact with their worlds
- Five formative relationships that shape your character
- Nine mythic character archetypes and how to use them
- The difference between proactive and reactive protagonists
- Ways to define a character through dialogue and physicality

The guide also includes a detailed worksheet that walks you through the stages of character development.

This is more than a book on how to write characters. This guide offers a practical, step-by-step approach to character creation that is sure to take your writing to the next level.
