Motivated by greed and sadism—or perhaps by poverty and boredom—star-crossed lovers Bonnie Parker and Clyde Barrow set out on a series of robberies throughout the American Southwest, many of which ended in murder. Frustrated by the suffocating poverty of the Great Depression, they were especially eager to target their oppressors—banks, store owners, and at times, the police. Their numerous crimes triggered an FBI manhunt, but their Robin-Hood ethos made them heroes in the eyes of many, establishing their place as legends of American folklore. This objective volume paints a realistic picture of often-romanticized subject matter, as it explores the motivation and impact of two of the most notorious criminals in U.S. history.
