\*\*Warning, this book contains scenes of dead people having sex, only really sexy dead people, not zombies or sparkly vampires. Rest assured, no body parts fell off during the making of these sex scenes, just bras and undies, and no fangs or hammers were used during foreplay.\*\* What could be worse than getting tricked by a demon and sucked into the fiery pit of doom? Discovering that the demon who captured your soul is also the devastatingly sexy twin of the man who still has your heart. The only fate worse than eternal damnation is eternal temptation. Someone please get me some water. It's getting hot in here.
