Here's how to write yourself a career using Poser 5, 3-D animation, face, figure, and character design software and Corel desktop publishing and graphics design suite software for scrap booking, personal history desktop publishing, multimedia genealogy, time capsule making, quilting design online, digital journalism, life story writing, and other unique creative people-oriented businesses. Writing for the newest media markets using Poser 5 3-D animation software and/or Corel's Word Perfect Office Suite 12 (and beyond) or Corel's Graphic Design Suite 12 (and beyond) is a journey into the real of new media journalism. Make your own avatars or put your face on animation or grow real hair, grass, or fur on your designs with Poser 5 software. Read about where to get training from Corel or Poser software, and how to blend the conceptual and practical aspects of creative expression careers in multimedia desktop publishing and graphic design combined with creative writing for a networked world. Here's how to adapt to the digital domain, find the training you need, and apply what you've learned to new applications in unique careers ranging from personal history and genealogy to creative writing and online journalism, multimedia time capsule crafting, scrap booking, quilting design online, and other ways to use the digital, new media to write and sell what you create using desktop publishing and graphic design software. This book trains you in launching your writing and tells you where you can get training in using the software. Now that you use the software, here's what to do with your new skills and your flair for creative expression, art, or writing.
