The Life of St. Benedict By Gregory the Great: Translation and Commentary Terrance G. Kardong OSB

In his classic *Second Book of Dialogues*, Pope Gregory the Great lionizes Saint Benedict as hero and casts him predominantly in the role of miracle worker. Yet in his Rule, Benedict comes across more as a practical community organizer and premier spiritual father. In this volume, Terrence Kardong offers a fresh take on Gregory the Great's classic. He alternates between translated sections of the *Diablo's* and his own commentary. Crisp and direct, and infused with his wry and ever-present sense of humor, Kardong's writings sure to build up the spiritual life of readers and, equally important, to make them love St. Benedict.
